Large vacant stands for commercial or industrial use in ideal location

This property, for sale, offers two large vacant stands next to each other. These stands add up to 7832 square meters, which is more than enough for any of your commercial and industrial use.

Both stands are fairly level with an 8.6 and 9.8-degree slope respectively. These stands are easily accessible and perfectly located close to Louis Fourie road. The stands are also close to busy businesses and also all amenities.

Stand like these, that are so well positioned do not come up very often. Don't miss out. Call me for contours and any other information.

Mossel Bay is a harbour town on the Garden Route in South Africa's Western Cape Province. It's known for the wide Santos Beach and the 19th-century Cape St. Blaize Lighthouse, which offers bay views. The Bartolomeu Dias Museum Complex includes the
