751m² Vacant Land For Sale in Paradise Beach

NEW RELEASE - PARADISE BEACH. This beautifully positioned stand is flat and easy to build, also so close to the water.

If you are looking for that perfect position at a great price, this is it. Good fishing, quiet beach walks and a great lifestyle for peace and tranquility whilst living or having a holiday home, which is a great getaway space.

Whilst doing these drone shots, our photographer just wanted to down tools and take it all in on a walk on that beach!.

Now is really the right time to make that move and change your life, join us in doing what we did many years ago and loving it.

Call Merle and let me help you make that move.

Land Size 751m²
