4 bedroom home overlooking the Lebombo Mountains - Mkuze

Nestled in the heart of Mkuze village, offering a quiet retreat in the heart of Zululand, this 4-bedroom home boasts space and includes air conditioning and fans throughout. The open plan kitchen and TV room lead to a stunning Zululand garden with panoramic views of a picturesque dam and the majestic Lebombo Mountains. A large space for a Home office or extra TV Lounge for the kids, this home offers space for everyone.

Entertainment awaits outdoors with a sizable Boma area overlooking the inviting pool. Practical features include a double automated garage, a 4-car carport, an inverter for uninterrupted power supply, Jojo tanks, and a borehole ensuring water security. For peace of mind, the property is equipped with an alarm system and fully fenced with a security gate.
